WEB DEVELOPER

I'm a passionate and dedicated Frontend Developer with a strong focus on user experience. I'm currently focused on building responsive and accessible web applications. I'm also interested in learning new technologies and solving problems.

EXPERIENCE

RADIONICS - FRONTEND WEB DEVELOPER

During my two-month tenure as a web developer, I dedicated my efforts to impactful projects, including Astropeoples. I specialized in crafting responsive designs, ensuring optimal user experiences through my work on various interfaces.

2023 July - 2023 Sept

PROJECTS
